Beginner & Intermediate Tennis

LNRC Junior Program follows the USTA curriculum and progression pathway for our youngest, and newest players. Each player is encouraged to start in their age-appropriate class and our professional staff will quickly graduate the student as needed.

Our staff will help guide the players so they can work towards USTA or UTR tournament play if that's the goal.

Sign up for 4 days and get the 5th day free!

Our Junior Development and HP players aspire to play college tennis or are working towards that goal. Court strategy and awareness, further development of long-term stroke variation and more. High Performance Program players are our higher-level UTR and USTA tournament level players.
